MASSAGES

THE AURA

A unique massage of energetic proportions using natural healing crystals. Upon selection of your crystal (or as we believe, the crystal will attract itself to you), absorb its distinct energies alongside a massage with coconut oil that clears and softens skin.

THE K'ALMA CRYSTAL COLLECTION

- *Alabaster: Draws what one needs, deflects what one doesn't, brings about calmness and forgiveness*
- *Amethyst: Taps into trust and intuition*
- *Chrysocolla: Inspires inspiration, motivation, and starting anew*
- *Clear Quartz: Honors clarity, manifestation, focus*
- *Labradorite: Piques curiosity, destiny, and magical possibilities*
- *Tektite - Casts vibrations for deeper insight and healing*
- *Opal - Reflects love, hope, purity and happiness*

THE INHALATION

Taps into both the touch and aromatic senses. A massage with a choice essential oil is accompanied with a diffuser mist to further draw in the respective health benefits and impart your desired mind state.

- Eucalyptus: Purifies skin and thoughts, opens airways
- Peppermint: Promotes invigoration
- Lavender: Smooths skin's appearance with calming, peaceful effects

THE DEEP BLUE

Nature's anti-inflammatory warriors applied via a deep-tissue massage to release worked, sore muscles. Coconut oil infused with a blend of Wintergreen, Camphor, Peppermint, Ylang Ylang, Helichrysum, Blue Tansy, Blue Chamomile, and Osmanthus provide a cooling, yet calming sensation while the body repairs back to peak performance.
